

Earlier in 2018 our Financial Manager, Debbie McDonald did a sponsored walk, walking 27 miles all in aid of Macmillan Cancer Support.

At Macmillan, they know how a cancer diagnosis can affect everything and they're there to support you through. From help with money worries and advice about work, to someone who'll listen if you just want to talk. They'll help you make the choices you need to take back control, so you can start to feel like yourself again.
